

Our Commitment

Our providers are here to provide the very best care for you and your family. We continue to modernize our facilities, keep you abreast of all the latest medical information and invest in digital tools that give you access to your own health records. At IHP, you get more than just a doctor's visit — we put your health first!

Your Healthy Life Starts Here

ABOUT US

Our clinic puts emphasis on disease prevention and wellness for your physical and mental well-being. Our providers offer comprehensive care for the whole family. In addition to your regular health check-ups, we offer a walk-in urgent care service 6-days a week because we know emergencies happen.

We embrace the highest quality healthcare for our patients and are committed to providing the best service in our beautiful island.
